

with the use of facilities of other bonded or nonbonded carriers. For the purposes of this section, the term “common carrier” means a common carrier of merchandise owning or operating a railroad, steamship, pipeline, or other transportation line or route. Only vessels entitled to engage in the coastwise trade (see §4.80 of this chapter) shall be entitled to transport merchandise under this section.

(2) Merchandise to be transported from one port to another in the United States under cover of a TIR carnet (see part 114 of this chapter), except merchandise not otherwise subject to Customs control, as provided in §§18.41 through 18.45, shall be delivered to a common carrier or contract carrier bonded for that purpose, but the merchandise thereafter may be transported with the use of other bonded or nonbonded common or contract carriers. The TIR carnet shall be responsible for liability incurred in the carriage of merchandise under the carnet, and the carrier's bond shall be responsible as provided in §114.22(d) of this chapter.

(3) Merchandise to be transported from one port to another in the United States under cover of an A.T.A. or TECRO/AIT carnet (see part 114 of this chapter) shall be delivered to a common carrier or contract carrier bonded for that purpose, but the merchandise thereafter may be transported with the use of other bonded or nonbonded common or contract carriers. The A.T.A. or TECRO/AIT carnet shall be responsible for liability incurred in the carriage of merchandise under the carnet, and the carrier's bond shall be responsible as provided in §114.22(d) of this chapter.

(b) Pursuant to Public Resolution 108, of June 19, 1936, (19 U.S.C. 1551, 1551a) and subject to compliance with all other applicable provisions of this part, the port director, upon the request of the party in interest, may permit merchandise entered and examined for Customs purposes to be transported in bond between the ports named in the resolution by bonded cartmen or lightermen duly qualified in accordance with the provisions of part 112 of this chapter, if the port director is satisfied that the transportation of such

merchandise in this manner will not endanger the revenue.

§ 18.2 Receipt by carrier; manifest.

(a)(1) *Merchandise other than from warehouse or foreign trade zone delivered to bonded carrier.* Except as set forth in paragraphs (a)(2) and (a)(3) of this section, within 5 working days after presentation of an entry for merchandise to be transported in-bond, the forwarding carrier shall take receipt of the merchandise if any lay order period and extension thereof have expired and no other entry is filed. If the forwarding carrier fails to take receipt of the merchandise within the prescribed period, the transportation entry shall be canceled and the merchandise shall be treated as unclaimed as of the date of original arrival.

(2) When merchandise is delivered to a bonded carrier for transportation in-bond, the merchandise shall be laden on the conveyance under supervision of a Customs officer unless—

(i) The transporting conveyance is not to be sealed with Customs seals, or

(ii) The lading inspector accepts the check of the carrier as to the merchandise laden. The carrier's receipt shall be given immediately to the lading inspector on the Customs in-bond document (the appropriate Customs Form 7512, or the carnet) covering the merchandise. In the case of a carnet, the receipt shall be given on the appropriate vouchers in the following form:

Received the cargo listed herein for delivery to Customs at the indicated port of destination or exportation, or for direct exportation.

Name of Carrier (or Exporter) _____
 Attorney-in-fact or Agent of Carrier (or Exporter) _____

Date _____

(3) *Merchandise delivered from warehouse.* When merchandise is delivered from a warehouse to a bonded carrier

for transportation in bond, supervision of lading shall be accomplished in accordance with the procedure set forth in § 19.6(b) of this chapter.

(4) *Merchandise delivered from foreign trade zone.* When merchandise is delivered from a foreign trade zone to a bonded carrier for transportation in bond, supervision of lading will be accomplished in accordance with the procedure set forth in § 146.71(a) of this chapter.

(b) A Customs in-bond document, containing a description of the merchandise, and Customs control card (Customs Form 7512-C), shall be prepared by the carrier or any of the parties named in § 18.11(b), whenever merchandise is being transported in bond. The Customs in-bond document thus prepared shall then be signed by the carrier or any of the parties named in § 18.11(b). All copies of the in-bond document shall be signed by the importing carrier or his agent and the in-bond carrier or his agent to indicate the quantity delivered for transportation in bond. When there is no discrepancy between the quantity manifested by the importing carrier and the quantity delivered to the in-bond carrier, the port director may authorize waiving the signature of the parties in interest as to delivered quantities. Quantities of goods transported in bond from a Customs bonded warehouse shall be accounted for under the procedures set forth in § 19.6 of this chapter. Except as prescribed in subpart D of part 123 of this chapter, relating to merchandise in transit through the United States between ports in contiguous foreign territory, a separate set shall be prepared for each entry and, if the consignment is contained in more than one conveyance, a separate set shall be prepared for each conveyance.

(c)(1) After the merchandise has been laden and the in-bond carrier or his agent has receipted the in-bond document, Customs Form 7512 (in duplicate), together with either the related Customs Form 7512-C (destination) or the carnet (which cannot be used in conjunction with Customs Form 7512-C) shall be delivered as a manifest to the conductor, master, or person in charge to accompany the merchandise to its port of destination or exportation.

If more than one conveyance is used to transport the merchandise, the Customs Form 7512-C (destination) shall accompany the first conveyance, and two copies of Customs Form 7512 shall accompany each conveyance as a manifest of the merchandise transported by that conveyance. A TIR carnet (see § 18.3(b)) shall not be used if more than one conveyance is required.

(2) Except transit air cargo provided for in § 122.118 of this chapter, bonded merchandise destined to a final port of destination in the United States, or for export from the United States, shall be delivered to Customs at the port of destination or exportation within 30 days after the date of receipt by the forwarding carrier at the port of origin, if transported on land. If the merchandise is transported on board a vessel engaged in the United States coastwise trade, delivery to Customs at the port of destination or exportation shall be within 60 days after the date of receipt by the forwarding carrier at the port of origin. Failure to deliver the merchandise within the prescribed period shall constitute an irregular delivery and the initial bonded carrier shall be subject to applicable penalties (see § 18.8).

(d) Promptly, but no more than 2 working days after the arrival of any portion of the in-bond shipment at the port of destination, the delivering carrier shall surrender the in-bond manifest (the in-bond document and related Customs Form 7512-C (destination) or the carnet) to the port director as notice of arrival of the merchandise. If the in-bond manifest is lost in transit, the in-bond carrier shall report the arrival of the merchandise within the prescribed period and shall be responsible for obtaining copies of the original in-bond manifest. Failure to surrender the in-bond manifest or report the arrival of bonded merchandise within the prescribed period shall constitute an irregular delivery and the initial bonded carrier shall be subject to applicable penalties (see § 18.8).
